

# 3DISC Scanner Rebate Program

featuring  
**3DISC**  
Taking Digital Beyond

The National Dentex Technology Rebate Program is designed to eliminate the biggest barrier to technology ownership - cost. Get the cost of your new or existing 3DISC scanner rebated back to you when you send your lab work to NDX.

To qualify for the program, you must be an Elite Dental Alliance Member and be willing to commit to a minimum incremental monthly lab spend with us.
